This year, we are fortunate to have Julie Papievis as our guest speaker. Julie is a survivor of a severe brain stem injury. As a result of her death experience and miraculous recovery she now speaks to various schools through an international injury prevention program called ThinkFirst, as well as to countless medical, community and spiritual organizations. Julie is the Brand Ambassador for Fairhaven Wealth Management. She advocates for others who face sudden physical, emotional, and financial changes in their lives. Her story has been featured in Women's Day, Chicago Women, First for Women magazines. She has made various television appearances on Lifetime, TLN television; ABC, CNN, WGN's WB, CBN's 700 Club Show, and most recently the Dr. Oz show. She has been featured in the Chicago Tribune, Chicago Sun-Times, and The Daily Herald. In Julie's book "Go Back and Be Happy", she illustrates how tragedy can be turned into triumph. Dying into living. Despair into hope. Her story can be an inspiration for a real-life tragedy in how to overcome it.

We look forward to having Julie Papievis as our guest speaker. Please join us at Mass that day and afterwards at the Annual Membership Breakfast for camaraderie, laughs, and delicious food to kick off another great year with St. Paul VI Holy Name Society.
